KEY DATA

Tentative Release Date:	September 16th, 2008
Orders Due:	September 3rd, 2008
File Under:	Blues

- 'Today she is regarded as the top female interpreter and authority on traditional blues worldwide' - The Blues Foundation
- Rory Block is the winner of five Blues Music Association Awards including one for her last CD 'The Lady And Mr. Johnson'.
- This is a tribute to Son House, one of histories most important blues artists and the man who taught Robert Johnson. Rory first met Son House as a teenager in 1965.
- Packaging includes a Dick Waterman photo of Son House and comprehensive liner notes.
- Long time Greenwich Village friend John Sebastian is featured on harmonica on three tracks.
- Rory tours constantly, has a loyal fan base and is a unique artist who's been on a mission to support country blues for over 40 years.
