

Eric Bibb & Habib Koité

Brothers In Bamako

On the pathways between Memphis & Mali's capital, Bamako, is the musical crossroad of Habib Koité and Eric Bibb. Uniting two soulful histories into a never-before heard guitar sound that is passionate and ebullient.

Growing up in Mali, West Africa, **Koité** is heir to an ancestral knowledge set to song that places him among the most influential voices of contemporary Africa.

Bibb's lineage in the traditional blues sound has produced an earthy mix of folk and gospel dating back to the work songs of the deep south.

Forging a bridge across the Atlantic, Bibb and Koité are two talents too exhilarating to ignore with this collaboration.

Live dates are booked for February 2013 in BC, AB and in QC in March, with more dates to be announced.
